Morning Playdate Safety and Behavior

Behaviors that we consider dangerous and unsafe are climbing/hanging on the ballet barres, hitting/kicking/biting another person, hitting/kicking the mirrors, throwing toys, etc. If we see this

behavior happening, we will address it right away and if it persists, we will have the parent reroute the child to another area or lobby.

How you discipline your child is your choice but while on the premises of Studio Chassé there will be no spanking, hitting, shouting, or threatening of any kind by parents, caregivers, guardians, etc. to their child. We consider this abuse, and it will not be tolerated in our presence and on the premises.
